This **Policy** extends to **Cover** entities (practicing in the same **Healthcare** discipline as **You**), which are merged with or acquired by **You** while this **Policy** is in force, in respect of **Claims** arising from the provision of **Healthcare Services** of substantially the same type as those **Covered** by this **Policy**. The Retroactive Date for such **Cover** is deemed to be the date of the merger with or acquisition by **You** unless **We** otherwise agree in writing.

Run-off cover until policy expiry date following mergers, acquisitions and winding up

In the event that a **Run-Off Event** occurs to **You** during the **Period of Insurance** specified in the **Schedule**, then the **Cover** provided by this **Policy** shall continue until the expiry date of this **Policy** but only in respect of any **Claim** otherwise **Covered** by this **Policy** arising from any act, error or omission prior to the date of the **Run-Off Event**.

If **You**, or anyone entitled to **Cover** under this **Policy**, dies or becomes legally incompetent or insolvent, **We Cover Your**

spouse, domestic partner, estate, legal representative or assigns, or the party entitled to **Cover**, to the same extent as **Cover** would otherwise have been available to **You**, but only in respect of **Your** acts errors or omissions and not of the spouse, domestic partner, estate, administrator, executor, legal representatives or assigns.

Non-Renewal Extended Notification Period

- a) In the event that this **Policy** is not renewed or is cancelled for any reason, other than non-payment of premium, then **You** have until such time that **You** effect another Malpractice insurance policy which **Covers** substantially the same risk as this **Policy**, either with **Us** or any other insurer(s), or a period of thirty (30) days commencing on the day immediately following expiry/cancellation of this **Policy**, whichever is sooner, to notify **Us** of any **Claims** made against **You** while this **Policy** is in force;
- b) **Cover** under this extension:
 - (i) does not reinstate or increase the **Policy Limit** or extend the **Period of Insurance**.
 - (ii) will only apply to acts, errors or omissions committed or alleged to have been committed by **You** before the end of the **Period of Insurance** or the cancellation date of this **Policy** where this **Policy** has been cancelled; and
 - (iii) is limited to **Claims** and **Enquiries** arising from an act, error or omission which occurred on or after the Retroactive Date specified in the **Schedule**.

Optional Extensions

Each of the following Optional Extensions will only be **Covered** if specified in the **Policy Schedule** as "insured". Further, each of the Extensions is subject to the Insuring Clause and all other terms, exclusions, conditions and the **Policy Limit** of this **Policy** unless otherwise expressly stated.

If there is other insurance cover available to **You**, then **Cover** in excess of one **Policy Limit** (up to a maximum of twice the **Policy Limit**) is only available for so much of the liability (otherwise **Covered** by this **Policy**) which is not **Covered** by such insurance.

Limit of Cover for Claim Investigation Costs

Where **Cover** is provided under this **Policy** for any **Claim**, then **Claim Investigation Costs** are payable in respect of that **Claim** in addition to the **Policy Limit** but only up to an amount equal to the **Policy Limit**. The aggregate amount **We** pay in total for **Claim Investigation Costs** for or in respect of all **Claims Covered** by this **Policy** does not exceed an amount equal to twice the **Policy Limit**.

Sub-Limits

If the **Schedule** or any Extension indicates a **Sub Limit** for a specific type of **Cover**, then the **Sub Limit** applies and not the **Policy Limit** for that **Cover**. All **Sub Limits** are included within and are not in addition to the **Policy Limit**. The **Cover** provided by each respective **Sub Limit** is for all **Covered Claims** in the annual aggregate for the Extension to which the **Sub Limit** applies.

GST Input Tax Credits

- a) Where and to the extent that **We** are entitled to claim an Input Tax Credit for a payment made under the **Policy**, then any monetary limit in the **Policy** on **Our** obligation to make such a payment, shall be net of **Our** entitlement to the Input Tax Credit.
- b) Where and to the extent that **You** are entitled to claim an Input Tax Credit for a payment required to be made by **You** as an **Excess**, then the amount of the **Excess** shall be net of **Your** entitlement to the Input Tax Credit.
- c) Where payment is made under this **Policy** for the acquisition of goods, services or other supply, **We** will reduce the amount of the payment by the amount of any Input Tax Credit that **You** are, or will be, entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition, whether or not that acquisition is made.
- d) Where payment is made under this **Policy** as compensation instead of payment for the acquisition of goods, services or other supply, **We** will reduce the amount of the payment by the amount of any Input Tax Credit that **You** would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.

Claim Conditions

Investigation, defence and settlement of Claims

We must be told about Claims

You must tell **Us** in writing about any **Claim** or losses as soon as possible and while this **Policy** is in force. If this is not done the **Your** right to **Cover** under this **Policy** may be affected.

Claims co-operation

Each of **You** must:

- a) diligently do, and allow to be done, everything reasonably practicable to avoid or lessen **Your** liability in relation to a **Claim** (or **Covered Claim**) or loss otherwise **Covered** by this **Policy**;
- b) promptly give to **Us** all the help and information that **We** may reasonably require to:
- c) investigate, mitigate and defend a **Claim** or loss; and
- d) determine **Our** liability under this **Policy**.

We can protect Our position

When **We** receive a notification of a **Claim**, or **Covered Claim**, then **We** can take whatever action **We** consider appropriate to protect **Our** position.

This does not, however:

- a) indicate that any of **You** is entitled to be **Covered** under this **Policy**; or
- b) prejudice **Our** rights under the **Policy** or at law.

We can manage the Claim (or Covered Claim) on Your behalf

We can:

- a) take over and defend or settle any **Claim** (or **Covered Claim**) in **Your** name; and
- b) claim in **Your** name, any right that **You** may have for contribution or indemnity.

You must not admit liability for or settle any Claim (or Covered Claim)

You must not:

- a) admit liability for, or settle any **Claim** (or **Covered Claim**); or
- b) incur any **Claim Investigation Costs** without first obtaining **Our** written consent. If **Our** prior written consent is not obtained, **Your** right to **Cover** under this **Policy** may be affected.

Your right to contest

If **You** elect not to consent to a settlement that **We** recommend and **You** want to contest or continue the dispute or legal proceedings, then **We** will only **Cover You** (subject to the **Policy Limit**) for:

- a) the amount **We** could have settled the matter for; less
- b) the relevant **Excess** specified in the **Schedule**; plus
- c) the **Claim Investigation Costs** calculated to the date **You** elected not to consent to the settlement.

Senior Counsel

Unless a Senior Counsel, that **We** and **You** both agree to instruct, advises that the **Claim** or **Covered Claim** should be contested, then neither **We** nor **You** can require the other to contest any legal proceedings about a **Claim** if the other does not agree to do so.

In formulating his or her advice, Senior Counsel must be instructed to consider the economics of the matter, having regard to but not limited to, the:

- (i) the damages and costs likely to be re**Covered**; and
- (ii) the likely costs of defence; and
- (iii) **Your** prospects of successfully defending the **Claim** or **Covered Claim**.

The cost of Senior Counsel's opinion will form part of the **Claim Investigation Costs**.

If Senior Counsel advises that the matter should be or is appropriate to be settled and if the terms of settlement which **We** recommend are within limits which are reasonable (in Senior Counsel's opinion and in the light of the matters he/she is required to consider), then **You**:

- (i) cannot (subject to the provisions herein under the heading "Your Right To Contest") object to the settlement; and
- (ii) must immediately pay the relevant **Excess** specified in the **Schedule**.

Payments to settle potential Claims

Any money **We** pay to settle anything which might give rise to a **Claim** (or **Covered Claim**), is taken to be:

- a) a payment to settle a **Claim** (or **Covered Claim**); and in addition,
- b) a payment for the purpose of calculating the total of all **Claims** (or **Covered Claims**) under this **Policy**.

Recovering money from Employees

We will not recover any amount paid out in respect of a **Claim** or loss under this **Policy** from any of **Your Employees** or former **Employees** unless the **Claim** (or **Covered Claim**) arose from dishonest, fraudulent, criminal or malicious acts or omissions of such **Employee** or former **Employee**.

Offsetting of costs & expenses You owe Us against what We owe You

If **We** incur costs or expenses above **Our** liability under the **Policy** for **Claim Investigation Costs**, then **You** must pay whatever amount is above that liability immediately **We** ask for it.

We can offset that payment due from **You** against (and deduct that amount from) any amount **We** must pay to or on behalf of

You under this **Policy**.

The Excess

- a) **We** only provide **Cover** (up to the **Policy Limit**) for that part of the **Covered Claim** above the **Excess** specified in the **Policy Schedule**.
- b) There is no **Excess** for **Claim Investigation Costs** when **We Cover You** for this **Covered Claim**.
- c) Only one **Excess** is payable for any one **Claim** or series of **Claims** (including **Covered Claims**) arising from the same or interrelated acts, errors or omissions.

Advancement of Claims Investigation Costs

If **We** elect not to take over and conduct the defence or settlement of any **Claim**, then **We** will pay all reasonable and necessary **Claims Investigation Costs** provided that:

- (i) **We** have not already denied indemnity under the **Policy**; and
- (ii) **Our** written consent is obtained prior to **You** incurring such **Claims Investigation Costs** (such consent not to be unreasonably withheld).

We reserve the right to recover any **Claims Investigation Costs** paid under this provision from **You**, in the event and to the extent that:

- (i) **You** make an admission in writing of any fraudulent, dishonest, malicious or intentional conduct; or
- (ii) it is subsequently established, directly or indirectly, by admission, judgment or other final adjudication, that **You** were not entitled to **Cover** under this **Policy**.

Allocation

- a) If a **Claim** includes both matters which are **Covered** and matters which are not **Covered** by this **Policy**, then both **You** and **We** will allocate (based upon **Your** relative legal and financial exposures to matters **Covered** and matters not **Covered** by this **Policy**) any amounts which have been incurred by or on **Your** behalf.
- b) If both **You** and **We** cannot agree on an allocation of such amounts incurred by or on **Your** behalf then:
 - (i) **We** will advance such portion of the **Claim Investigation Costs** which **We** deem to be **Covered** under this **Policy**, unless and until a different and final allocation is mutually agreed upon between **You** and **Us** or is arbitrated in accordance with this provision.
 - (ii) **We** may, in **Our** sole discretion, pay amounts (other than amounts for **Claim Investigation Costs**) which **We** deem to be **Covered** under this **Policy**, unless and until a different and final allocation is mutually agreed upon between **You** and **Us** or is arbitrated in

accordance with this provision or judicially determined.

- (iii) if **We** are requested by **You**, **We** will submit a dispute between **You** and **Us** regarding the allocation of amounts for determination by arbitration. Subject to agreement between **You** and **Us**, the arbitration panel will consist of one arbitrator selected by the President for the time being of the Victorian Law Society. The costs of arbitration undertaken in accordance with this provision shall be borne equally by **You** and **Us**.
- (iv) any allocation of damages, **Claim Investigation Costs** or other amounts which are mutually agreed upon between **You** and **Us** or arbitrated in accordance with this provision will be applied retroactively to such amounts notwithstanding any prior payment or advancement, as the case may be, to the contrary.
- (v) any allocation or advancement of **Claim Investigation Costs** will not apply to or create any presumption with respect to the allocation of amounts in respect of a **Claim**, other than in respect of **Claim Investigation Costs**.

Disclosure of information to Us in respect of the Cover and the Claim (or Covered Claim)

The solicitors instructed by **Us** for any **Claim** (or **Covered Claim**) can disclose to **Us** any information that they may receive in that capacity, wherever and from whomsoever they obtain it and notwithstanding that they may also be representing **You** in respect of the notified circumstance / **Covered Claim**. By claiming under this **Policy**, **You** (and any person entitled to indemnity under this **Policy**) authorise such solicitors to disclose this information to **Us**.

Additional Special Provisions for Dishonesty and Fraud

In respect of any **Claim** arising from fraud or dishonesty which involves theft or misappropriation of money, then **We** only provide **Cover** if:

- a) **You** kept a separate trust account for that money, and the account was audited at least annually by a qualified independent accountant; and
- b) all cheques prepared on that trust account are required to be signed by a **Principal** or two authorised people;
- c) all electronic fund transfers are required to be authorised by a **Principal** and accounts which are accessible on line are reviewed at least weekly.

You must take and continue to take all reasonable precautions to prevent any **Claim** arising from fraud or dishonesty and continue to perform all the supervision, controls, checks and audits reasonably practicable to avoid or lessen a **Claim** arising from fraud or dishonesty.

We deduct from any money **We** pay for a **Claim** or loss arising

from fraud or dishonesty:

- a) the amount of any money which **You** would have paid to the fraudulent, dishonest, criminal or malicious person the subject of **Cover** under this **Policy**, if they had not been fraudulent, dishonest, criminal or malicious; and
- b) the amount of any money of, or to which the person referred to in paragraph (a) above is entitled, which **You** hold (if **We** can do so by law).

Notwithstanding express **Cover** extensions for vicarious liability arising from fraud or dishonesty of **Employees**, there is no **Cover** under this **Policy** to any person or entity the subject of **Cover** under this **Policy**, for any **Claim** or loss directly or indirectly based upon, or attributable to, or in consequence of any dishonest, fraudulent, criminal or malicious acts or omissions or breach of fiduciary duty of which:

- a) any of **You** had knowledge, or had reason to suspect, at or prior to the time of such acts or omissions; and
- b) **You** failed to take any reasonable action to prevent.

There is no **Cover** under this **Policy** for any **Claim** arising from or related to or which involves any dishonest, fraudulent, criminal, malicious acts, errors or omissions or breach of fiduciary duty other than pursuant to the express Extension for vicarious liability arising from fraud or dishonesty of **Employees** under the **Policy**.
