

Welcome to Pacific Indemnity's email newsletter

We are excited to announce that we are launching our new Professional Indemnity Portal

The Professional Indemnity Broker Portal is moving.

With effect from Monday 6th December -our Professional Indemnity Broker Portal will have a new home, joining the GL Portal. Here a few things you need to know:

- Both Portals new portal web address will be <https://pacindportal.pacificindemnity.com.au>.
- You will be redirected from the previous portal web addresses to the new portal web address
- The login details you previously received for the GL Portal (your username is your email address) will now be your only login to get both your Professional Indemnity and Broadform Liability quotes
- Both the **PI and GL Portal** will not be available from 4pm Friday 3rd December (tomorrow) until 8am Monday 6th December.

Brief overview of SIMILARITIES to the current PI Portal

Auto Quotes – a quote indication is generated once all Proposal details have been entered. A formal binding quote can be emailed and bound on-line

Referred Quotes – detail(s) need to be reviewed by an underwriter before a formal response can be provided. If the quote request is accepted, this appears as a Quoted status (should there be more here)

You will receive a response within 24 hours on the next business day

Send Link to Client – a link is sent to the email address you enter for your client to receive

The link is valid for 10 days and allows your client to review and/or change details in the contact details and proposal details screen

Binding Cover - Cover can be bound on-line and the Policy Documents are sent via email instantaneously

Brief overview of NEW FEATURES of the New PI & GL Portal

Contact Details screen – capability to define the required inception AND expiry date
